EXPERIENCE

FULL-STACK WEB DEVELOPMENT

Currently in 5th week of the 12 week UofT bootcamp!

Getting into nodejs

WHY ME

I'm diving into coding and I'm not stopping!
Unfortunately I missed the silicon valley boom, but I'll take what
I can get.

Great world, and I can't experience it all unless I learn the
languages and get her done.

SKILLS

Javascript/CSS/HTML

Github, Git Bash, Bootstrap, jQuery

<https://teamcirclearpha.github.io/GetMeEmployed/>

(API/bootstrap/JS/CSS/animejs)

<https://tylerpetri.github.io/Weather-search-3.0/> (API, saves to
local.storage, search history/clear, 5-day forecast)

<https://tylerpetri.github.io/Code-Quiz/> (Display block/none, enter
initials, highscore box, timer, penalty, restart)
